FOR IMMEDIATE RELEASE

TROW GLOBAL IS NOW EXP!

Brampton, Ontario, Canada – April 4, 2011. Trow Global Holdings Inc., one of North America's fastest growing engineering, consulting and project management firms, announced today that it has changed its name to **exp** Global Inc. Members of the Trow Global family of companies are also adopting the new **exp** brand to better represent the breadth of services, geographic reach and scope of the organization.

"Today marks the beginning of a new era for our organization, and our clients" said Mr. Vlad Stritesky, President and CEO of the firm. "Changing our brand to **exp** is the culmination of more than 25 companies and thousands of people coming together. This change will help us drive home the message that we provide a complete range of services, where our clients need them, and all under one roof."

The following companies are adopting the **exp** brand identity, effective today:

Atlantic Canada

- ADI Limited
- ADI Architects
- Enerplan
- Facilities Design Group
- Newfoundland Labrador Consulting Engineers
- Novaport International Consultants
- O'Halloran Campbell Consultants

About exp

With a mission to understand, innovate, partner and deliver, **exp** provides professional, technical and strategic advisory services to the world's built and natural environments in six key practice areas: Buildings, Earth & Environment, Energy, Industrial, Infrastructure, and Sustainability. Formerly the Trow Global group of companies, the firm adopted its new name to provide clients with easy access to our highly experienced and creative professionals, whether locally or globally. With over 3,400 people in offices across North America and around the world, **exp** provides the experience and expertise needed to deliver successful project outcomes for our clients around the world. Whether the project is big or small, clients have access to our global capability platform from our local office network to ensure the right people provide the right solution. For more information about **exp**, please visit www.exp.com.
